• PROFESSIONAL SUMMARY

Dedicated and results-driven **Full-Stack Web Developer** with 2+ years of production experience engineering responsive, high-performance web applications, digital portals, and management dashboards. Demonstrates strong analytical precision derived from a background in Humanities and Linguistics (S.Hum), effectively translated into clean modular code architectures, scalable RESTful API integrations, and intuitive user experiences. Experienced in working with international teams (Telus, Welo Data) in search relevance and digital advertising assessment.

• PROFESSIONAL EXPERIENCE

Freelance Full-Stack Web Developer

2024 – Present

Self-Employed / Independent Contractor

Architecting and delivering custom digital solutions, public services platforms, and e-commerce applications. Leveraging React, TypeScript, Node.js, and modern styling frameworks to craft scalable, accessible, and high-performance digital products for institutions and businesses.

Ads Quality Rater

2025 – Present

Welo Data

Evaluating digital ad campaigns based on search intent alignment, visual aesthetics, and strict quality criteria. Providing granular analytical feedback to optimize AI/ML search models and elevate advertising relevance.

Islamic Religious Counselor

2025 – Present

Kantor Urusan Agama (KUA) Kec. Tebing Tinggi

Providing educational advisory, socio-religious counseling, and administrative coordination for community welfare and civil religious affairs.

Personal Internet Ads Assessor

2022 – 2024

Telus International

Conducted deep evaluations of search engine advertisement placements, multimedia content relevance, and market user behaviors to refine global machine learning training datasets.

Arabic Language Teacher

2019 – 2025

MTs Al-Hidayatul Islamiyah Kuala Tungkal

Instructed Arabic grammar (Nahwu-Sharaf) and linguistic structures for 6 years; fostered disciplined problem-solving and structured methodology among students.
